CLASS DESCRIPTIONS

BRONZE SQUAD NORTHLAKES

Senior (Bronze) squad is designed for swimmers looking to take the next step in their training. Building upon the fundamental swimming skills and develop your child's ability to learn how to train and help them develop a growth mindset and develop a love for the sport. Individual swimmers will be introduced to a variety of racing opportunities as they continue to master the four competitive strokes and gain greater proficiency in turns, starts and finishes. This is achieved by introducing more advanced drills and training techniques

JUNIOR SQUAD NORTHLAKES

Fun & safety is the primary objective of all Junior swimming, coincidentally it is reason we 'learn to swim' initially. Junior Squad is designed for children predominately 6 years and older, and is targeted at swimmers that have completed all the skills associated with learn to swim lessons. Junior Squad's focus is 1-2 key concepts every session, and swimmers within each individual session will be allocated to the lane & group that provides the optimal learning environment.

Squad Assessment 15 min

As not all swim squads operate with the same squad structure, it is important that all new swimmers to Rackley Swimming undertake an assessment so we can ensure your swimmer is in the right squad level. The in-water assessment - also provides the opportunity for you and your swimmer the opportunity to visit our centre, see some squads in action, discuss any specifics regarding your child's swimming goals, as well as have any other questions answered.
